		Improve Primary Care and Health Services Access		% of teens who have attempted suicide/report depression	
		Achieve Cost Containment in Medicaid		Teen pregnancy rate	

Commented [HC2]: No way to collect this...Allyson..does this happen to be on any survey?

Commented [HC1]: This column comes from the State of the Health and is represented as a cycle. Not sure if we want to include this column? This was originally the Social Determinants column so I have left the original text in parentheses.

Colorado: Commitment to Become the Healthiest State

Behavioral Health: HCPF; CDHS/OBH; CDPHE
 (State of Health, Office of the Governor, John Hickenlooper, April 2013)

		Advance Payment Reform in Public and Private Sectors Invest in Health IT	Transition to Adulthood: College Degree or Equivalent	Timeliness of access to outpatient substance use disorder treatment. Mental health clients engaged in services.
